STRONGER Than Ever
As we celebrate our accomplishments over the past year and look toward the rapidly rising needs of the 2020 pandemic, I am proud that the Sacramento Life Center is stronger than ever and ready to meet the needs of our community’s pregnant women and teens.

We are fortunate to have received a grant from Dignity Health to create a partnership with WellSpace Health and Bishop Gallegos Maternity Home to help low-income pregnant women in the Arden area. Our doors remain open because our work is essential. We also have added tele-health appointments during the pandemic, as well as curbside pickup for much-needed baby supplies.

Following is more information about our accomplishments in 2019 and our financials. There has never been a more critical time for the services of the Sacramento Life Center – we know that if a woman comes to us, there is a 95% chance that she will continue her pregnancy. Thanks to a successful year in 2019, we are poised and ready to meet that need.

Dr. Jose Cueto
OUR VOLUNTEER MEDICAL DIRECTOR

Dr. Jose Cueto began volunteering at the Sacramento Life Center clinic doing ultrasounds in 1997 along with his partner Dr. Russ Niles, our Medical Director at that time. It was not long after that Dr. Niles retired and Dr. Cueto stepped in as the Medical Director. He has volunteered countless hours since then, bringing our medical program to new heights and standards of practice. He has been committed to helping underserved pregnant women receive access to quality healthcare. Thousands of babies have been born thanks to his contributions and leadership.

He has been married for 33 years to his lovely wife Anita and has 3 adult children of which he is very proud and will be a grandfather in October. Dr. Cueto’s career in medicine began in 1986, when he graduated with his Medical Degree from the University of Southern California School of Medicine, Los Angeles, Ca. After medical school, Dr. Jose Cueto completed residency at Baylor College Of Medicine, Obstetrics and Gynecology. Dr. Cueto is board certified in Obstetrics and Gynecology by the American Board of Obstetrics and Gynecology. He currently provides care to patients at 3 Medical Plaza Dr in Roseville, Ca.

“I am proud of my association with the outstanding people at SLC and look forward to continuing working with them for years to come.”

Dr. Jose Cueto
SYLVIA WAS HOMELESS AND ADDICTED TO DRUGS WHEN SHE CAME TO OUR MOBILE CLINIC FOR WATER.

Our Patient Advocate happily helped her as Sylvia shared that she was unable to have children due to previous ovarian cancer. They continued to talk once a week for several months until one day Sylvia shared that she had been vomiting. We gave her a pregnancy test, and she was overjoyed to learn that she would be a mother after all.

We gave her a Lyft ride to our main clinic for an ultrasound and enrolled her in medical coverage so she could receive prenatal care, housing and drug treatment. Sylvia entered a clean and sober assisted housing program, is working and will live with her mother once the baby is born.

“Thanks to the Sacramento Life Center, I am able to provide my daughter with the things she needs. I have been given so much care and support. The staff has been there for me every step of the way.”

Leaving a **LEGACY OF LIFE**

When you make a gift to the Sacramento Life Center through your estate plan, you are ensuring we can continue to embrace lives, one pregnancy at a time, for generations to come. Learn more about our Legacy of Life Society at SacLifeLegacy.com.

**Meet BILL AND MARY O’KEEFE**

Legacy of Life Society members Bill and Mary O’Keefe have played an instrumental role in the advancement of our mission to support women facing an unplanned or unsupported pregnancy. *Bill was on the frontlines with the purchase and remodel of our new 5,500-square-foot clinic, and he and Mary donated a substantial lead gift necessary to launch our Building Blocks for Life Capital Campaign. Through their commitment and generosity, we have doubled our capacity to serve women.* They have been longtime Gala sponsors and host a table annually. Bill has served on our Executive Board for 11 years, with four of those years serving as Board President. When asked why they chose to include the Sacramento Life Center in their estate plan, they said the center holds a special place in their hearts, as they have two adopted children and are grateful to the birth mothers who made this possible for them. **THANK YOU, BILL AND MARY, for your support and generosity!**
Our Arden Clinic and our Mobile Medical Clinic are funded through private donations, grants and fundraising events – a truly free medical clinic. Patients are never charged for their services received.
